## SAFETY DATA SHEET (SDS)

Prepared: April 23, 2015

### 1. Identification of Product and Company

**Product Names:** ISOMATE® C PLUS  
ISOMATE® C TT  
ISOMATE® CM FLEX  
ISOMATE® CM RING

**EPA Registration Nos.:** 53575-6, 53575-25, 53575-32, 53575-35

**Product Uses:**

**For Agricultural Use:**

These hand-applied products emit the pheromone of the codling moth (CM), *Cydia pomonella*, to disrupt its mating. These products are applied in pome fruit, tree nut or stone fruit orchards where CM is a pest.

**Supplier of the SDS:**

Pacific Biocontrol Corporation  
14615 NE 13th Court, Suite A  
Vancouver, Washington 98685 U.S.A.  
Phone: 360-571-2247  
Fax: 360-571-2248  
www.pacificbiocontrol.com

**Emergency Telephone Numbers:**

**Medical:** Call Doctor or  
**Poison Control Center:** 800-222-1222  
**Additional Information:** 800-999-8805

**Manufacturer:**

Shin-Etsu Chemical Co., Ltd.

### 2. Hazard(s) Identification

**Classification of the substance or mixture:**

**Hazard Classification:**

**EPA Signal Word:**

**Hazard Statements:**

Irritant (skin and eye)  
Warning (reference section 15)  
None

**Pictogram:**

**Precautionary Statements:**

(Reference section 15)

Avoid contact with skin, eyes or clothing. Harmful if absorbed through skin. Causes moderate eye irritation. Wear chemical resistant gloves and protective eyewear. After handling, wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using toilet. Remove and wash contaminated clothing before reuse.

### 3. Composition/Information on Ingredients

CM Pheromone Components*	CAS NO.	EINECS NO.
(E,E)-8,10-Dodecadien-1-ol	33956-49-9	251-761-2
1-Dodecanol	112-53-8	203-982-0
1-Tetradecanol	112-72-1	204-000-3

\*Components are members of the well-characterized group of SCLPs (i.e. Straight Chain Lepidopteran Pheromones).

Trade Secret (TS) Some items on this SDS may be designated as trade secrets. Bonafide requests for disclosure of trade secret information to medical personnel must be made in accordance with the provisions contained in 29 CFR 1910.1200(i)1-13.

ISOMATE® is a registered Trademark of Pacific Biocontrol Corporation.

# PACIFIC BIOCONTROL CORPORATION

## SAFETY DATA SHEET (SDS)

Prepared: April 23, 2015

ISOMATE® C PLUS, ISOMATE® C TT, ISOMATE® CM FLEX, ISOMATE® CM RING

### 4. First-Aid Measures

**First Aid:**

**Doctor or Poison Control Center:**

Have the product container or label with you when contacting a poison control center or doctor or going for treatment.

**If on Skin or Clothing:**

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Contact a poison control center or doctor for treatment advice.

**If in Eyes:**

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Contact a poison control center or doctor for treatment advice.

### 5. Fire-Fighting Measures

**Flammable Properties:**

**Flash Point:**

Not established for pheromone dispenser. Flash point is 91°C for CM Pheromone Blend.

**Protection against Explosions and Fires:**

Keep away from ignition sources, heat, sparks and open flame.

**Extinguishing Media:**

Carbon dioxide (CO<sub>2</sub>), extinguishing powder or water spray/fog. Fight larger fires with water spray/fog or alcohol-resistant foam.

**Protection for Firefighters:**

Use standard fire fighting procedures. Collect contaminated fire fighting water separately as it must not enter drains.

### 6. Accidental Release Measures

**Personal Precautions:**

Reference sections 7 and 8.

**Environmental Precautions:**

For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of this product. Do not contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes. Do not dispose of new or unused dispensers in or near streams or bodies of water.

**Methods for Containment and Cleaning Up:**

Due to the small amount of chemicals in the product, even if the container or dispenser is damaged or broken, a spill of the chemical is highly unlikely.

Do not dispose of new or unused dispensers in or near streams or bodies of water. Wastes resulting from this product, disposal of empty dispensers or disposal of unused, unwanted product may be disposed of on site or at an approved waste disposal facility or in accordance with local regulations. Dispose of empty foil packet in the trash or in accordance with local regulations. For information in case of a spill and for clean up of spills, contact the manufacturer or the local regulatory agency.

## SAFETY DATA SHEET (SDS)

Prepared: April 23, 2015

**ISOMATE® C PLUS, ISOMATE® C TT, ISOMATE® CM FLEX, ISOMATE® CM RING**

### 7. Handling and Storage

#### Precautions for Safe Handling:

Do not open foil envelopes until ready to use. When handling dispensers wear resistant gloves and eye protection. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

#### Conditions for Safe Storage:

Do not contaminate water, food or feed by storage or disposal. Store unopened package in a dry location at temperatures below 40°F or 4°C. To prevent contamination with food or feed, store only unopened product packages in cold storage facilities that are used for food or feed.

### 8. Exposure Controls/Personal Protection

#### Exposure Guidelines:

Do not contaminate water, food or feed by storage or disposal. Reference sections 6 and 7.

#### Engineering Controls:

None

#### Personal Protection Measures:

When handling dispensers wear gloves and eye protection. Protective gloves should be impermeable and resistant to the product (suggested material: nitrile or neoprene). Wear eye protection, such as safety glasses or goggles. May also want to wear long sleeved shirt, long pants, shoes and socks.

Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal protection provided is based upon normal uses and conditions.

### 9. Physical and Chemical Properties

Properties	Mixture of CM Pheromone Components*
Physical State	Colorless or Light Yellow Transparent Liquid
Odor	Oily-fatty and slightly waxy
Specific Gravity at 25°C	0.857g/cm <sup>3</sup>
Vapor Pressure at 25°C	1.428x10 <sup>-2</sup> mmHg
Boiling Point	110-120°C/2mmHg
Melting Point	18-22°C
pH	5.6
Flash Point	91°C (Pensky-Martens)
Solubility	Insoluble in water; Soluble in organic solvents (except DMSO, ethylene glycol)
Viscosity at 25°C	22.9 c.s.

\*Components are members of the well-characterized group of SCLPs.

## SAFETY DATA SHEET (SDS)

Prepared: April 23, 2015

ISOMATE® C PLUS, ISOMATE® C TT, ISOMATE® CM FLEX, ISOMATE® CM RING

### 10. Stability and Reactivity

**Chemical Stability:**

Product is stable under normal conditions and if stored as recommended under section 7.

**Conditions/Materials to Avoid:**

Avoid contact with strong oxidizing agents, ignition sources, excessive heat, sparks or open flame.

**Hazardous Decomposition:**

Carbon monoxide and carbon dioxide, but no decomposition if used as recommended .

**Hazardous Reactions:**

None known

### 11. Toxicological Information

CM Pheromone Components are members of the well-characterized group of SCLPs, a class of pheromones with no expected risks to human health. (Toxicology data are not required for this type of product as a SCLP under U.S. EPA 40 CFR 158.2050(a)(2), respectively.)

**CM Pheromone Blend:**

**Acute Toxicity:**

<b>Oral LD50</b>	>5000 mg/kg
<b>Dermal LD50</b>	>2000 mg/kg
<b>Inhalation LC50</b>	>5 mg/l

**Primary Irritant Effect:**

<b>On the Skin:</b>	Slight to Moderate
<b>In the Eye:</b>	Slight to Moderate
<b>Sensitization:</b>	Not considered skin sensitizer

**KEEP OUT OF REACH OF CHILDREN.** Avoid contact with skin and eyes. Can cause skin and eye irritation.

### 12. Ecological Information

CM Pheromone Components are members of the well-characterized group of SCLPs, a class of pheromones with no expected risks to human health or non-target organisms. (Non-target toxicology data are not required for this type of product as a SCLP under U.S. EPA 40 CFR 158.2060(a)(2), respectively.)

**CM Pheromone Blend:**

<b>Birds (LD50, 14-day)</b>	>2150 mg/kg
<b>Fish (LC50, 96-hour)</b>	>120 mg/l
<b>Daphnia (EC50, 48-hour)</b>	>1.3 mg/l

For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of this product. Do not contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes. Do not dispose of new or unused dispensers in or near streams or bodies of water.

ISOMATE® C PLUS, ISOMATE® C TT, ISOMATE® CM FLEX, ISOMATE® CM RING

### 13. Disposal Considerations

**Product:**

**Recommendation:**

Do not dispose of new or unused dispensers in or near streams or bodies of water. Wastes resulting from this product, disposal of empty dispensers or disposal of unused, unwanted product may be disposed of on site or at an approved waste disposal facility or in accordance with local regulations

**Unclean Packaging:**

**Recommendation:**

Dispose of empty foil packet in the trash or in accordance with local regulations.

### 14. Transport Information

**Transportation:**

**Description:**

Plastic hand-applied pheromone dispenser.

**Hazard Class:**

Not applicable – Not classified as dangerous.

**Freight Class:**

CLASS 60

**Identification Numbers:**

NMFC# S155050-12

**Packing Group:**

Not applicable.

**Flash Point:**

Not established for pheromone dispenser. Flash point is 91°C for CM Pheromone Blend.

### 15. Regulatory Information

**U.S. EPA**

This chemical is a pesticide product registered by the U.S. EPA and is subject to certain labeling requirements under Federal pesticide law. These requirements differ from the classification criteria and hazard information required for SDSs, and for workplace labels of non-pesticide chemicals. The hazard information required on the pesticide label is below. The pesticide label also includes other important information, including the Directions for Use.

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

Avoid contact with skin, eyes or clothing. Harmful if absorbed through skin. Causes moderate eye irritation. Wear chemical resistant gloves and protective eyewear. After handling, wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using toilet. Remove and wash contaminated clothing before reuse.

These products are registered with the U.S. EPA under EPA Registration Numbers 53575-6, 53575-25, 53575-32, and 53575-35. Products are categorized under U.S. EPA Toxicity Health Hazard Category IV – WARNING.

**Health Canada**

ISOMATE C PLUS and ISOMATE CM FLEX are registered for sale in Canada under PCP Numbers 22899 and 35189 and have been classified in accordance with the hazard criteria of the Controlled Products Regulations and the SDS contains all of the information required by those regulations. This SDS will be noncompliant three years after the issue date.

### 16. Other Information

#### FOR AGRICULTURAL USE ONLY

Pacific Biocontrol Corporation is unaware of any local, state or federal regulations which define the active ingredient as hazardous. As of the preparation date, this product did not contain a chemical or chemicals subject to the reporting requirements of Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

This SDS is offered solely for your information, consideration and investigation. The data described in this SDS consist of data on literature, our acquisition data and analogical inference by data of similar chemical substances or products. Pacific Biocontrol provides no warranties, either express or implied, and assumes no responsibility for the accuracy or completeness of the data contained herein. Final determination of suitability of any material is the sole responsibility of the user.
