

100% Natural Organic Compost

Pioneers In The Organic Movement

Since 1976 When the organic farming movement was just gaining momentum, Peaceful Valley Farm & Garden Supply was born out of a desire to provide growers with natural solutions to farming and gardening problems. To this day, we continue to carry that torch, providing the widest selection nation-wide of organic solutions for your farm and garden.

Peaceful Valley's Mission:

Grow Organic...

- For a healthy and safe food supply
- For a clean and sustainable environment
- For an enjoyable and rewarding experience

... For Life!

Description:

This product is intended for use as a soil amendment to increase organic matter.

Directions:

Gardens and Lawns: Apply compost at 1 to 4 cubic feet per 100 square feet (equivalent to 1/4" to 1/2" layer on the top of the soil). Incorporate into the top 2 to 4 inches of soil by raking, tilling or digging. Use the higher rate for poorer soils. Use the lower rate for more fertile soils.

Ingredients: Composted yard trimmings.

Contents: 1 cubic foot (28.32 liters)
